Summary

An ambitious, diligent individual with a keen interest in Websites, UI/UX Design and Branding. Having a background full of diversity has made adapting to new situations a familiarity. With this, I have become a fast learner and someone who approaches situations with an open mind. Having worked in a range of environments involving communication with peers, as well as customers, team and individual work have both become attributes to job roles depending on the given task.

Key Skills

- Web design and management, experienced in using the Mono web builder and the Divi theme in WordPress.
- Competent in using various social media platforms (such as Facebook, Instagram, Twitter and LinkedIn) due to daily usage, as well as creating internal and external marketing and advertising campaigns.
- Basic graphic design skills using Adobe Photoshop and Canva.
- Strong organisational skills, developed through the operational side of my role as an apprentice.

Career History

Reach Plc | 2021 - Present

DIGITAL MARKETING EXECUTIVE - WEBSITES

Working within the Web Design and Social Advertising departments of the Digital Marketing Services team, developing the design, build and maintenance of customer websites using the Mono web builder, as well as assisting with social media advertising account management. My day-to-day duties include:

- Designing and building landing pages for a variety of small businesses, including creating templates that have become products for the company.
- Maintaining customer websites and making updates for them when requested.
- Transforming out-of-date websites by giving them a design refresh, as well as looking to improve the UI for visitors where possible.
- Ensuring our websites are accessible and optimised for all devices.
- Assisting clients with technical queries such as domain transfers and setting up mailboxes.
- Creating Facebook advertising campaigns through Marin and Ads Manager.
- Using Photoshop to design graphics for Facebook ads.

Noord Ltd | 2019 - 2021
